## The Subscription Model:

The Ponca City Concert Series is an all volunteer, non-profit organization that has brought quality, affordable musical entertainment to the community since 1935. A subscription fiscal model is a key to success. Rather than taking the financial risk of selling an unknown number of tickets at the door, concert admission is by membership only. Enrolling members near the conclusion of one season sets the artist budget for the next season. Advanced funding also helps control pricing, which is typically less than a third the cost of a ticket for similar acts at other venues. Also, members may bring out-of-town guests at no additional charge.

## Donor Support:

Generous contributions from members also help keep subscriptions affordable. Membership fees provide approximately 70% of the budget. The additional 30% from optional donations finance the remainder of the budget. Please consider a donation beyond your membership fee.

## Reciprocity Concerts:

Members of the Ponca City Concert Series may attend an additional five concerts in Bartlesville, OK for no additional fees. See [www.PCConcertSeries.org](http://www.PCConcertSeries.org) for details.

## Please Spread the Word (additional concert for new members):
